SOCIAL MEDIA MOCK UP - TIKTOK

- Tiktok provides more exposure with less content commitment;
- Rising Trends can be made by the students;
- Different types of content can be explored: less reminders/dates; more wholesome content

- Videos can be advertised: between areas, age, and spending power, being able to target a specific crowd (parents and alumni)

WHAT YOU CAN EXPECT:

Content & Brand Visibility

- Daily Content upload across all social media platforms;
- Weekly Newsletter;
- 6 Month Content Plan (Monthly calendar, in detail);
- Video Strategy: delivering more video content showcasing school life authentically;
- Brand Guidelines enforcement: content across all platforms will represent the schools logo, font and colouring;

Data & Reporting

- Refined research on current statistics to target a similar crowd;
- Monthly Performance Dashboard;
- Competitor Analysis;
